On July 10, the Court issued a pretrial schedule requiring defense motions be
submitted by July 28, government responses by August 18, and defense replies by
September 1. The Court also scheduled a September 18 status hearing and a
January 22, 2024 trial. This letter requests that the September 18 status hearing
and the parties responsive motions be held in abeyance pending the rescheduled
plea hearing.

I have discussed the above requests with AUSA Derek Wikstrom. He has no
objection.

Thank you for considering these requests.

Respectfully,
